

## INTERNET RESOURCES FOR PEST RISK ASSESSMENT

### ARTHROPODS

#### General

University of Florida & FDACS - **Featured Creatures**

Various Authors

<http://creatures.ifas.ufl.edu/>

Full Text Search - **Florida Entomologist**

Various Authors

<http://fulltext10.fcla.edu/cgi/t/text/text-idx?xg=1;page=simpleext:g=entgrp>

Northern Territory Government - **Northern Territory Insects**

Author: Northern Territory Government

<http://pestinfo.nt.gov.au/>

#### Coleoptera

HISL - **PEET Xyloborini Database**

Author: A. Cognata

<http://xyloborini.tamu.edu/query.php>

Cassidinae of the World - **List of Host Plants**

Author: Lech Borowiec and Jolanta Świętojańska

<http://www.biol.uni.wroc.pl/cassidae/katalog%20internetowy/listofhostplants.htm>

#### Diptera

Arthropods of Economic Importance - **Agromyzidae of the World**

Author: M. Dempewolf

<http://ip30.eti.uva.nl/bis/agromyzidae.php>

USDA - **Fruit Fly Host Plant Database**

Author: Allen Norrbom

<http://www.sel.barc.usda.gov:591/diptera/tephritidae/TephHosts/search.html>

#### Hemiptera

Scalenet - **Scales on a Host**

Authors: Y. Ben-Dov, D.R. Miller & G.A.P. Gibson

<http://www.sel.barc.usda.gov/scalenet/scaleson.htm>

Scalenet - **Scales in a Country**

Authors: Y. Ben-Dov, D.R. Miller & G.A.P. Gibson

[http://www.sel.barc.usda.gov/scalecgi/region.exe?region=&regname=&country=&ctr-  
yname=&subunit=&action=Pick+Region&querytype=&family=&genus=&intro=A](http://www.sel.barc.usda.gov/scalecgi/region.exe?region=&regname=&country=&ctr-<br/>yname=&subunit=&action=Pick+Region&querytype=&family=&genus=&intro=A)

USDA - **Whitefly Ecological Database**

Author: G.A. Evans

[http://www.sel.barc.usda.gov:591/1WF/WFecology/FMPro?-db=1WF-ecology.FP5&-  
lay=Layout%20%231&-format=search.htm&-view](http://www.sel.barc.usda.gov:591/1WF/WFecology/FMPro?-db=1WF-ecology.FP5&-<br/>lay=Layout%20%231&-format=search.htm&-view)

USDA – **US National Collection of Aphididae**

Authors: A.S. Jensen, G.L. Miller & M.B. Stoetzel  
[http://www.sel.barc.usda.gov/aphid/aphid\\_db.html](http://www.sel.barc.usda.gov/aphid/aphid_db.html)

USDA - **US National Collection of Aleyrodidae**

Authors: G. Miller, A. Jensen, S. Nakahara, B. Carlson, D. Miller & M. Stoetzel  
[http://www.sel.barc.usda.gov/whitefly/whitefly\\_db.html](http://www.sel.barc.usda.gov/whitefly/whitefly_db.html)

The American Museum of Natural History - **Plant Bugs of the World**

Author: The American Museum of Natural History  
<http://research.amnh.org/invertzoo/miridae/>

## Hymenoptera

USDA - **Sawfly Literature Search**

Author: C. Apgar  
<http://www.sel.barc.usda.gov:591/sawfly/search.htm>

## Lepidoptera

Arthropods of Economic Importance - **Eurasian Tortricidae**

Authors: L. Meijerman & S.A. Ulenberg  
<http://ip30.eti.uva.nl/bis/tortricidae.php>

Hosts - **A Database of the Hostplants of the World's Lepidoptera**

Authors: G.S. Robinson, P.R. Ackery, I.J. Kitching, G.W. Beccaloni & L.M. Hernandez  
<http://www.nhm.ac.uk/entomology/hostplants/>

Canadian Biodiversity Information Facility - **Index to Larval Food Plants**

Authors: R.A. Layberry, P.W. Hall & J.D. Lafontaine  
[http://www.cbif.gc.ca/spp\\_pages/butterflies/larvalfood\\_e.php](http://www.cbif.gc.ca/spp_pages/butterflies/larvalfood_e.php)

Lepidoptera - **Larval Food Plant Information Sorted by Plant**

Author: Markku Savela  
<http://www.funet.fi/pub/sci/bio/life/warp/food-plants-a.html>

USDA - **World Spodoptera Database**

Author: M.G. Pogue  
<http://www.sel.barc.usda.gov:591/spod/host/search.html>

## Orthoptera

Orthoptera Species File Online - **Search**

Authors: D. Otte and P. Naskrecki  
<http://140.247.119.145/Orthoptera/>

## PATHOGENS

### Bacteria

CABRI Consortium - **CABRI Simple Search**

Author: CABRI Consortium  
<http://www.cabri.org/CABRI/srs-doc/>

## Fungi

APSnet - **Search Common Names of Plant Diseases**

Various Authors

<http://www.apsnet.org/online/common/search.asp>

USDA - **SBML Fungal Databases**

Authors: D.F. Farr, A.Y. Rossman, M.E. Palm & E.B. McCray

<http://nt.ars-grin.gov/fungaldbases/>

## Viruses

VIDE Database - **Index to Host Families**

Authors: A.A. Brunt, K. Crabtree, M.J. Dallwitz, L. Watson & E.J. Zurcher

<http://image.fs.uidaho.edu/vid/famindex.htm>

## OTHER

### Nematodes

USDA - **US Nematode Collection Search**

Authors: Z. Handoo & D. Ellington

<http://www.nem.barc.usda.gov/database/search.cfm>

UC Davis - **NEMABASE**

Authors: H. Ferris & E.P. Caswell-Chen

<http://ucdnema.ucdavis.edu:591/KNOWL/NEMBASE/FMPro?-db=interact.fm&-lay=MAINDB&-format=search.htm&-view>

### Mollusks

The Academy of Natural Sciences - **Malacology Collection Search**

Author: The Academy of Natural Sciences

[http://data.acnatsci.org/biodiversity\\_databases/snails.php](http://data.acnatsci.org/biodiversity_databases/snails.php)

### General

UC IPM - **Management Guidelines**

Various Authors

<http://www.ipm.ucdavis.edu/PDF/PMG/index.html>

CIPM – **USDA Crop Profiles**

Various Authors

[http://www.ipmcenters.org/cropprofiles/CP\\_form.cfm](http://www.ipmcenters.org/cropprofiles/CP_form.cfm)

FDACS - **Triology**

Author: W. Dixon

<http://www.doacs.state.fl.us/pi/enpp/triology.html>

USDA - **Q-56 Fresh Fruit & Vegetable Database**

Various Authors

<https://manuals.cphst.org/q56/Summaries/ProductSummariesMain.cfm>

## Great Circle Distance

USDA ARS - **Chemical Ecology of Insects**

John Byers

<http://www.chemical-ecology.net/java/lat-long.htm>

## Likely Markets

US Census Bureau - **American Fact Finder**

US Census Bureau

<http://factfinder.census.gov/home/saff/main.html? lang=en>

## Botany

USDA - **USDA Plants Database**

Various Authors

<http://plants.usda.gov/>

USDA - **Federal Noxious Weed Disseminules of the US**

Author: Julia Scher [*use for Gunn & Ritchie (1982)*]

[http://www.lucidcentral.org/keys/FNW/Whole%20key%20html/Taxalist\\_factsht.htm](http://www.lucidcentral.org/keys/FNW/Whole%20key%20html/Taxalist_factsht.htm)

USFWS - **Threatened & Endangered Species Information**

Various Authors

<http://www.fws.gov/endangered/wildlife.html>

WSSA - **Composite List of Weeds**

Weed Science Society of America

<http://www.wssa.net/Weeds/ID/Names.htm>
