# China's Position on participation in EEMRA

Actively participate in relevant MRAs including EEMRA

- Participated in Part 1 of EEMRA in 2001
- participation in Part 2 and 3 of EEMRA

--future consideration

# Challenges/difficulties for Participation of Part 2 and 3

1. Confidence building among regulatory authorities ---take CCC as an example
2. Confidence building among certification bodies and testing bodies
3. Different regulatory authorities for different EE product

# Recommended Solutions

1. Harmonizing regulatory regimes to the maximum extent
2. Cooperation among designating authorities, certification bodies and testing bodies
3. Improving the technical structure of EEMRA
4. Add effectiveness study of EEMRA
