FREQUENTLY ASKED QUESTIONS

Who qualifies as a Singaporean or Permanent Resident?

A Singaporean or Permanent Resident is a citizen of Singapore or a Permanent Resident granted that status by the Singapore government. If you are in the country temporarily as a visitor or here on an employment pass, you are considered a "Foreigner" and are not required to pay the levy.

Who qualifies as a Foreigner?

A Foreigner is any person who is not a Singaporean or Permanent Resident and who is 21 years or older seeking to gain entry to the casino. A Foreigner must show an ID upon request. A Foreigner is not required to pay the entry levy.

What is a levy?

A levy is the payment a Singaporean or Permanent Resident must make in order to gain access to the casino portion of Marina Bay Sands. All other areas of the resort are open to all without a levy.

How can I purchase a levy?

You are encouraged to purchase the levy prior to arriving at the resort. This can be done through the Marina Bay Sands website, at any AXS machine in Singapore or through any DBS ATM* machine. Once the levy is paid, your NRIC number is added to the casino access list so that when you arrive you scan your NRIC card, driver's license or SAF identification card at the beginning of an entry lane marked "Singaporean / PR", and enter the casino because our system will know that you have paid the entry levy.

* DBS ATM machines available upon activation at a future date.

How long can I stay?

The daily entry levy is \$100, and is valid for 24 consecutive hours starting from the time of first entry into the casino. The daily entry levy will expire if entry has not taken place by the end of the 30th day after the date of purchase. During the permitted 24 hours you may enter and exit the casino freely. If you purchased the annual, \$2,000 levy, the annual entry levy is valid for 12 months starting from either (a) the time of first entry into the casino, or (b) 90 days after the date of payment, whichever is earlier.

Can I purchase the levy and use it at a later date?

Yes. However, the daily entry levy will expire if entry has not taken place by the end of the 30th day after the date of purchase. The annual entry is valid for 12 months starting from either the time you enter the casino or 90 days after the date of payment, whichever is earlier.

How can I find out how much time is left on either my daily or annual levy?

Just insert your NRIC card or enter your NRIC number into any Premier Advantage kiosk located throughout Marina Bay Sands.
