Asia-Pacific International Symposium on Electromagnetic Compatibility (APEMC)

April 2015 / Taipei, Taiwan / <http://apemc2015.ntu.edu.tw>

The 2015 Asia-Pacific International EMC Symposium and Exhibition will be held in Taipei, Taiwan. The symposium aims to share recent advances in all aspects of EMC in the Asia-Pacific region, to respond the EMC requirements for all rising technologies, and to closely link up the international EMC community. The symposium will cover the entire scope of EMC; especially, it will offer a rich technical program of highest quality, lectures presented by distinguished speakers from all over the world, and a broad forum for interacting between academia and industry. We wish to invite all prospective authors and experts to submit original papers on their latest research. We also encourage the proposals for the topical meeting, industrial forum, workshop, tutorial and exhibition.

Topics include and are not limited to:

- | | |
|-----------------------------------|--|
| • EMC Management | • Bio-Medical EMC |
| • EMC Standards and Regulations | • Electronic Packaging EMC |
| • EMC Measurement Techniques | • IC and Semiconductor EMC |
| • Smart-Grid and High-Power EMC | • ESD |
| • System-Level EMC and Protection | • Signal Integrity and Power Integrity |
| • Transportation EMC | • Antenna and Wave Propagation |
| • Wireless Communication EMC | • Computational Electromagnetics |

Honorary Symposium Chair: **Jay-San Chen**, Bureau of Standards, Metrology, & Inspection, M.O.E.A.
General Chair: **Tzong-Lin Wu**, National Taiwan University
