## ❖ Guide

- **The Application of Ionizing Radiation Metrology in Medicine under Legal Metrological System**
- **The Complementary Controls of Medical Devices on Metrological and Medical Supervision**

# Recognizing

- ❖ The large **scope** of the APLMF work, we may be required to **limit** some of our **work** due to **limited resources**;
- ❖ We need to strengthen the **coordination** of legal metrology work with **each other**;
- ❖ We need to enhancing the **exchange of expertise** between member economies to increase the awareness of legal metrology and its contribution to an **efficient and competitive marketplace**, as well as the **benefits to society**;

# Recognizing

- ❖ We need to promote the use of **advanced technology** in the areas of the **environment, energy, health** and other emerging sectors of legal metrology, and **develop guidelines** on the use of this technology within these sectors;
- ❖ We need to promote the **training of personnel**;
- ❖ We need to put into place the **necessary mechanisms** to meet this demand.

# Acknowledgement

- ❖ **Contributions from all member economies**
- ❖ **Working group chairs**
- ❖ **Efforts from APLMF secretariat**

**Thank You!**

The text 'Thank You!' is the central focus, rendered in a large, bold, blue font with a white outline and a slight drop shadow. The word 'Thank' is in a darker blue, while 'You!' is in a lighter blue. A small, realistic globe icon is positioned above the letter 'h' in 'Thank'. A larger, white wireframe globe icon is positioned behind the exclamation mark in 'You!'. The background is a light blue gradient with a faint, large-scale image of a globe and a clock face.
