#### History

Orchard Supply Company LLC is a wholly owned indirect subsidiary of Lowes Companies, Inc., and a standalone brand and business from Lowes. Orchard's CTPAT and Customs Compliance programs are derived from Lowe's Customs Compliance programs.

Orchard is a neighborhood hardware and garden store focused on paint, repair and the backyard. The company was originally founded as a purchasing cooperative in San Jose, California in 1931. Lowe's purchased the assets of Orchard in a transaction that was consummated on August 30, 2013. As of October 10, 2013, Orchard operates 70 stores in California and 2 stores in Oregon.
