Date: 31 May 2017

The interview for the position of Asia-Pacific Consortium on Agricultural Biotechnology (APCoAB) Coordinator was organized on 31 May at Ambassador Hotel, Bangkok Based on the assessment of CV and selection criteria, four candidates were short listed and called for personal face-to-face interview. These candidates are Dr Rishi Kumar Tyagi, Dr Gurinder Randhawa, Dr Rangnathan Chandra Babu, and Dr Nasir Ahmad Saeed.

The interview process comprised presentation by the candidates followed by interactions with the members of Selection Committee on various aspects relating to presentation, job requirements, roles and responsibilities, and other relevant aspects Based on qualification, experience, proposed vision of APCoAB and overall performance during the discussion, the Selection Committee recommended two candidates in order of merit and ranking as follows:
