Notification No. 0973 MOIC.DIMEX, dated 25 May 2011

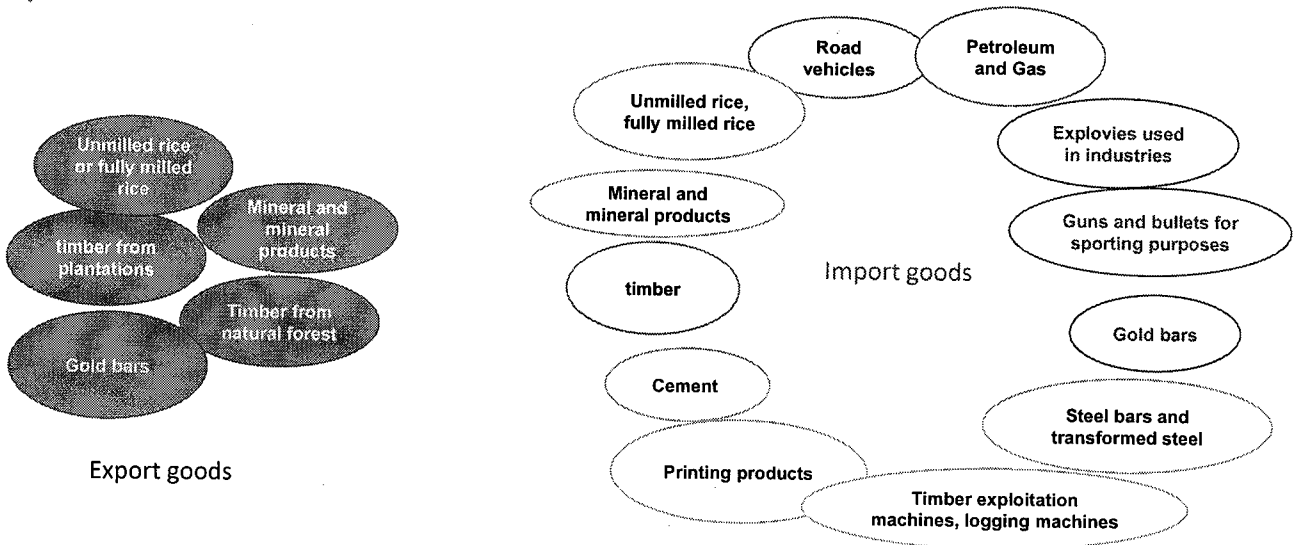

Import and export procedure of prohibited goods

Notification No. 0973 MOIC.DIMEX, dated 25 May 2011

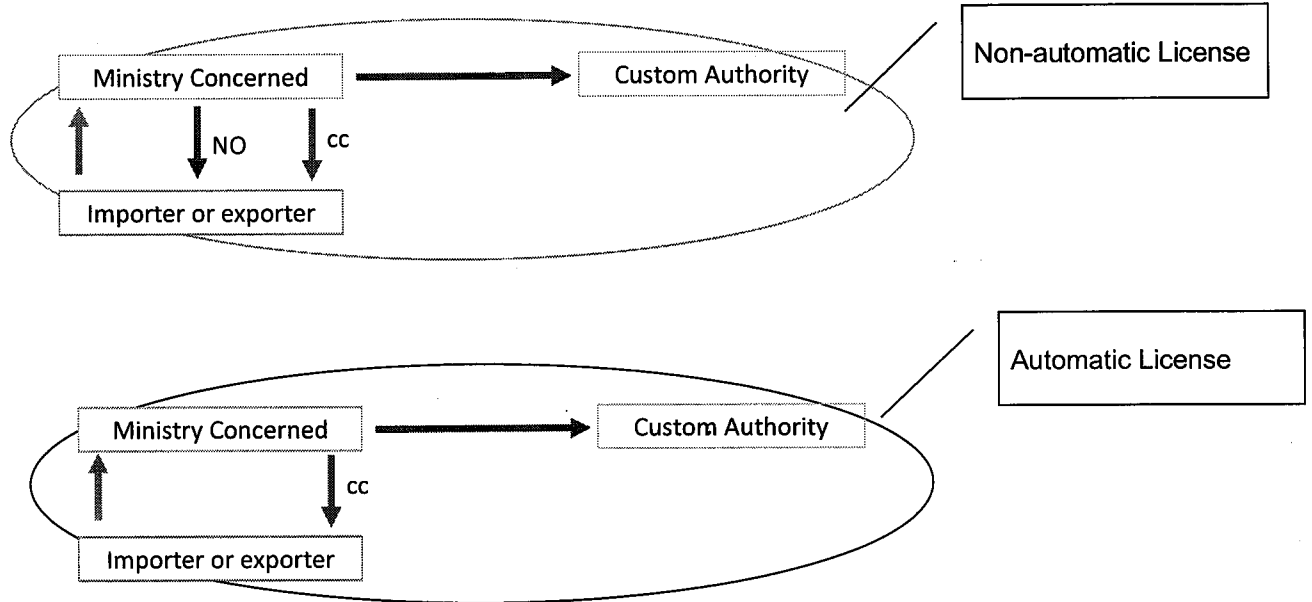

Import and export goods subject to license

Notification No. 0076/MOIC.DIMEX, dated 13-01-2012

Import and export procedure of goods subject to license

Capacity building and cooperation on export control

- 11-14 July 2017, DIMEX and EU P2P Project organized a workshop on “Strategic/Dual-use Trade Control” in Vientiane, Laos
- 24-25 May 2017, DIMEX and EU P2P Project jointly organized a workshop on “the Lao PDR National Dual-use Trade Control’s Legal Framework and Perspective of Enhancement” in Vientiane, Laos.
- Attending seminars/workshops in Japan to EU

Future Plan

- Import and Export Department as a focal point on Dual-use Trade will work closely with line ministries to work on the issues.
- The Working Group on Strategic/Dual-use Trade Control, or National Strategic Trade Committee will be set up soon.
- The list of Dual-use Item (Goods) will be identified and subject to Non-automatic license.
- We will extend our cooperation with International Organizations as well as our ASEAN colleagues to learn from their experiences on the Dual-use Trade Control.
- Capacity building on the Dual-use Trade Control for the government officials is must.

Thank you
