- **Appreciations**

# Group members and discussion

**Ms. Wan Fazlin  
Nadia Wan Osman**

**Mr. Edwin O.  
Banquerigo**

**Mr. Christopher  
Glenn G.  
Mirandilla**

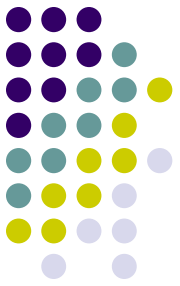

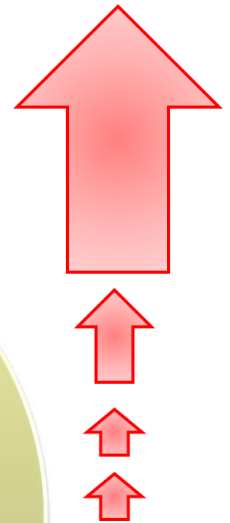

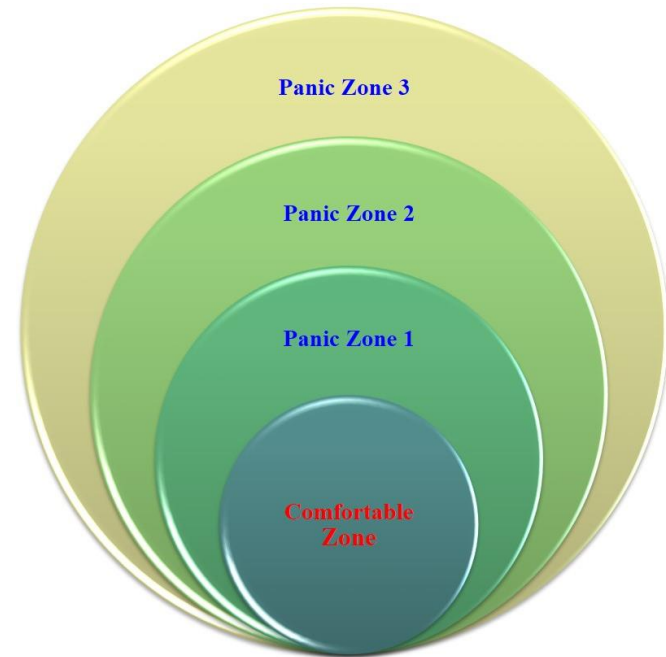

**Dr. Wei-Chih (Nick) Cheng**

**Mr. Chien-Ti  
(Jammes) Chang**

**Mr. Minh Vu Hoang**

# Food Quality

- **SME should move forward as followed**
  - Meet standards and market requirement
  - Meet specifications of raw materials
  - Gain organic certification
  - Take responsibilities from food supplier original
  - Establish food defense, food fraud system
  - Establish food safety and quality monitoring plan

# Risk Analysis

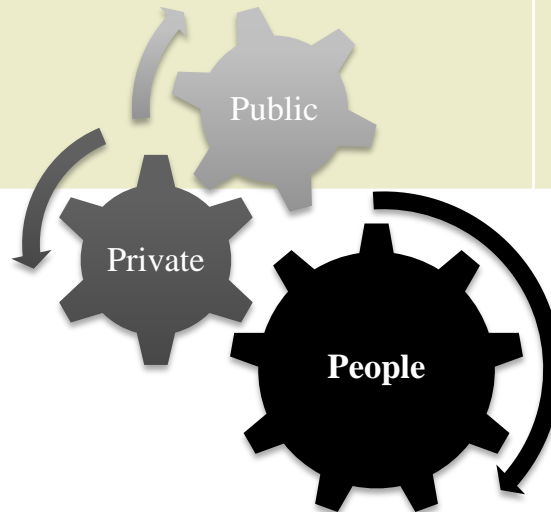

- **Contribute to assurance of food safety and consumer trust**
  - Base on scientific knowledge not on economic views
  - An excellent tools to decide the policy priority base on risk probability and severity
  - Determine acceptable level for identified risk
  - Address uncertainties
  - Communicate to stakeholders sincerely
