A photograph of a courtroom interior. The scene is dominated by dark wood paneling on the walls and several wooden benches with vertical slats on the backrests. The floor is covered in a checkered tile pattern of light and dark squares. A blue banner with white text is overlaid on the lower portion of the image.

Mission

*Wij guarantee a safe, humane and personalized **execution** of sentences and measures in conformity with the law and in view of an optimal return to society after release.*

Vision

We uphold an innovative penitentiary policy, taking the interests of the inmate at heart, based on from best practices in the field and from our professionalism, experience and expertise.

Our detention model is focused on a good balance between dynamic and passive security in which the rights and duties of the inmates and the prison staff as well as the integrity of all are key factors.

We carry out a result-oriented management on every level within our organisation in which partnerships are an important lever.
