出國報告(出國類別:定期會議)

赴菲律賓納卯市參加 2018 年亞洲緊急醫療救護年會

服務機關:內政部消防署

姓名職稱:李國齡科長、吳禮安 專員

派赴國家:菲律賓(納卯市)

出國期間:107年6月16日至20日

報告日期:107年8月1日

摘要

納卯市(達沃市,亦稱納卯市;英語: Davao City)位處菲律賓南部 民答那峨島最重要的城市,位於該島東部,面積2,433.61平方公里,常住 人口約1,363,337人,加上流動人口超過200萬,是菲律賓第三大城市。本 次2018年亞洲緊急醫療救護年會主要由亞洲主要國家每2年輪流辦理之 大型救護研討會議,今年是第5屆亞洲EMS會議,參與國家包括臺灣、 菲律賓、中國、日本、南韓、新加坡、馬來西亞、越南…等國家。

本次參加之 2018 年亞洲緊急醫療救護年會,今年主要係由菲律賓主辦,並邀請歐、美、日、韓、中國、香港、印度、馬來西亞、越南、土耳其及主辦國菲律賓等國家之講者前來分享各國之 EMS 相關經驗,內文將針對所參加之研究會內容摘要敘述。

本出國報告共分成四個部分,第一部分為本次考察行程準備,第二部分為考察目的,第三部分為考察過程,最後則是本次考察的心得與建議事項。

目次

壹、行程概要

一、行程概要

本署為汲取國外救護新知,以提升我國救護品管,本次派員出席 2018 年亞洲緊急醫療救護年會,這是每 2 年舉辦 1 次的亞洲地區 EMS 年度盛 會,本次研討會探討多項救護及醫療議題如:各國救護人員教育訓練制度、 院前心臟急症新作為、公眾 CPR 教育、院前神經急症、探討院前兒科急 症處置作為等議題,除吸收新的救護技術及醫療新知外,並與其他會員國 交流救護相關經驗。本次考察行程共計 5 日,本次研討會行程如下表:

日期	行程
107年6月16日	搭機抵達菲律賓馬尼拉,再轉機前往菲律賓南部之 納卯市。
107年6月17日	参加 2018 年亞洲緊急醫療救護年會
107年6月18日	参加 2018 年亞洲緊急醫療救護年會
107年6月19日	參加 2018 年亞洲緊急醫療救護年會
107年6月20日	搭機返國

表 1-2018 年亞洲緊急醫療救護年會考察行程

二、交流方式

(一)本次參加之 2018 年亞洲緊急醫療救護年會,由菲律賓主辦國,於 戶外場地(納卯市鱷魚公園)辦理 2018 年亞洲區緊急救護競賽 (2018ASIA EMS Competition)由亞洲各國包含日本、新加坡、馬 來西亞等 10 多支隊伍同場競技,互相切磋學習,競賽項目為多重 傷病患,評分標準為團隊合作及全英文溝通技巧且能有效率處治患 者,臺灣部分並有臺北市政府消防局及新北市政府消防局代表參賽, 藉由實際之情境演練,了解各國 EMT 救護技術人員相關技術之差 異性比較,也能為國爭光,讓世界看見臺灣。

(二)本次參加之 2018 年亞洲緊急醫療救護年會,由菲律賓主辦國邀請 歐、美、日、韓、中國、新加坡、加拿大、馬來西亞……等國家之 專家學者、急診醫師等前來分享各國之 EMS 及醫療臨床上之相關 經驗。

貳、目的

近 20 年來,消防機關緊急救護出勤次數平均以 6.62%持續成長,並於 105 年達到近年最高之 111 萬 7,523 次,106 年首次出現負成長,減幅 1.54%,但也有 110 萬 323 次之高,是 87 年出勤次數 33 萬 6,409 次的 3 倍 有餘(如圖 1),換算下來消防機關平均每天出勤救護案件 3,015 次。在各項緊急救護求救原因中,以車禍受傷 33 萬 725 人次占急救人次 37.10%最多,其次為急病 32 萬 221 人次占 35.92%,一般外傷及墜落傷 9 萬 1,630 人次占 10.28%,三者合計占 83.30%(如圖 2)。

圖 1 近 20 年緊急救護出勤次數及成長率

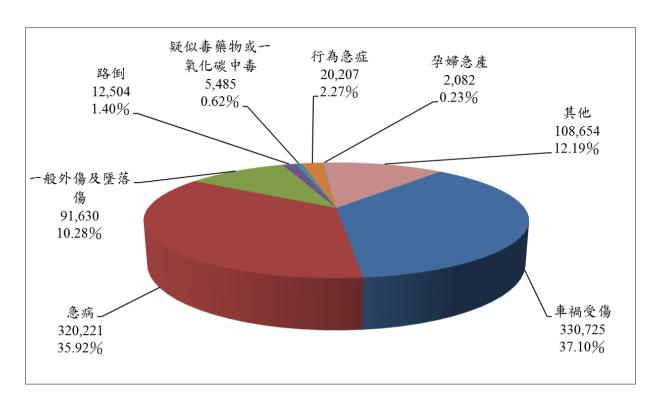

圖 2 106 年緊急救護求救原因比例

另查內政部戶政司統計資料,國內人口成長趨緩,且人口老化速度快, 106年人口成長率創新低僅有 0.13%,65 歲以上老年人口已占 13.86%(如 表 2;圖 3、圖 4),國家發展委員會推估 107年老年人口將成長到 14.5%, 進入高齡社會(65歲以上達 14%),勢必造成緊急救護需求增加,且高 齡患者多數有 3種以上疾病症狀,也較容易出現危急個案,對救護人員而 言判斷難度增加、處置更複雜。因此,在有限的救護資源現況下,非緊急 傷病患者使用救護車時可能排擠真正緊急傷病患所需之資源,進而危及生 命,希望藉由這篇文章的宣導,呼籲社會大眾珍惜消防救護資源,並善加 利用。

年別	總人口數	人口成長率	65 歲以上人口數	65 歲以上人口百分比
87年	21,928,591	0.85%	1,810,231	8.26%

為因應未來緊急救護業務之推展,實有瞭解國際各國 EMS 發展現況、緊急救護制度、相關作業流程及緊急救護相關訓練……等,藉以做為我國政策規劃之參考。

参、過程

第 5 屆 2018 亞洲緊急醫療救護年會(EMS Asia 2018)於 107 年 6 月 17 日至 19 日在菲律賓納卯市國際會議中心(SMX Convention Center)舉辦,並於 18 日 9 時舉行開幕式。本屆亞洲緊急醫療救護年會由菲律賓主辦,以大規模傷亡事故管理事故指揮系統、醫療、到院前創傷生命支持、水域救援、荒野急救……等主題,並展出相關醫療裝備器材等相關產品,可應用於到院前急救、到院後急救、醫療等領域。

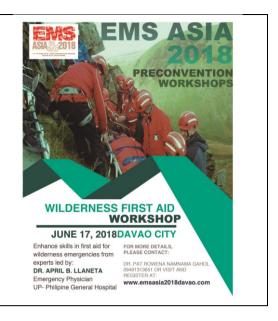

本屆研討會除舉辦 EMS 比賽、研討會前工作坊外,並邀請歐、美、 日、韓、中國、香港、印度、馬來西亞、越南、土耳其及主辦國菲律賓等 國家之專業講者前來分享各國之 EMS 醫療相關經驗之研討會議,並邀請 醫療及救護裝備器材廠商展出相關醫療裝備器材,摘述如下:

一、會前工作坊(Pre-Convention Workshops)議程內容

編號	工作坊名稱	摘要內容
1	Mass Casualty Management Incident Command System Workshop (Registration Closed)	For non-daily workshops For non-daily worksho
2	Medical Directors Workshop	GRAND MENSING HOTEL DAVAO CITY JUNE 17, 2018 EMS ASIA 2018 EMS ASIA 2018 MEDICAL DIRECTORS WORKSHOP SPEAKER DR. BENJAMIN LENG SIEUHDN SENIOR CONSULTAN EMERCISTY PHYSICIAN EMERCI

3	Out of Hospital Cardiac Arrest Dispatchers Course (Registration Closed)	OUT OF HOSPITAL CARDIAC ARREST DISPANCIERS COURSE EMS ASIA 2018 PRECONVENTION WORKSHOPS For more details, Please contact. Dr. Pal Rowers Nameana Cahd OMSTSTAGST or visit and RECUSTER at: Www.amasaia0218davao.com

5	Water Rescue for Hydrometeorological Hazards (Registration Closed)	WATER RESCUE FOR HYDROMETEOROGICAL HAZARDS WORKSHOP Learn the basics on water and safety rescue from various experienced instructors led by DR. TED ESGUERRA DR. PAT ROWEN HAMMAM CAND. OM91319851 OR VISIT AND REGISTER AT: WWW.emsasia2018davao.com

Wildreness First Aid Workshop (Registration Closed)

二、EMS比賽

本次 EMS 比賽於戶外場地(納卯市鱷魚公園)辦理 2018 年亞洲區緊急救護競賽(2018ASIA EMS Competition)由亞洲各國包含日本、新加坡、馬來西亞等 10 多支隊伍同場競技,互相切磋學習,競賽項目為多重傷病患,該救護情境模擬比賽測試救護技術員(EMT)大量傷病患者的應變處理能力。在照顧病人時保持專業信心和心靈的慰藉至為重要。領導力,團隊合作和溝通技巧也是考驗著每一位參賽者。

評分標準為團隊合作及全英文溝通技巧且能有效率處治患者,臺灣部分並有臺北市政府消防局及新北市政府消防局代表參賽,藉由實際之情境演練,了解各國 EMT 救護技術人員相關技術之差異性比較,也能為國爭光,讓世界看見臺灣的 EMS 救護能力。

EMT 救護人員是急診醫師眼睛之延伸,患者的事發經過、受傷情形、 受傷機轉均須仰賴救護人員現場的仔細觀察及評估,詳實的檢查及交接都 影響著患者是否能在第一時間接受適當的處置及治療,使醫院創傷小組能 及早於急診室待命,進而達到縮短確定處置的時間,提高患者存活率。且 可避免患者傷情被低估,使患者在等待檢傷期間病情惡化至無法挽回之地 步。

考試官所下之情境係針對到院前經常遇到的情況,由參賽隊伍全部團隊成員運用所學專業救護技術在比賽規定之時間完成緊急救護任務,所有

團隊成員都統一說英語,並於 2018 年 6 月 16 日進行淘汰賽,並於 2018 年 6 月 19 日進入最後一輪決勝負。團隊成員在比賽過程中不得使用任何通訊方式。競賽進行過程中,不允許複習及參考資料。在比賽開始時,主考官會針對每個團隊提供救護器材設備之清單,每個 EMT 團隊的救護處置時間為 20 分鐘。評分將強調團隊合作和有效率地評估大量傷病患的處置能力。

(三)主要之國際講者如下:

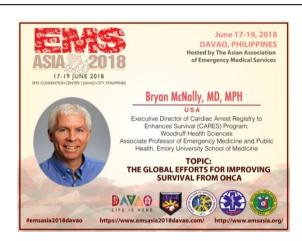

圖 11 研討會講者

1.災難和醫院前護理:演講內容包含 EMS 災難準備、傳染病爆發和 EMS 及 CBRNE 的公共安全。

TRACK B: DISASTER AND PRE-HOSPITAL CARE			
B1 – EMS DISASTER PREPAREDNESS (915am-1045am)			
Function Room 2			
Session Chair: Dr. Ridvan Atilla (Turkey)			
Co-Chair: Dr. Veronica Datinguinoo (Phillippines)			
B.1.1 Enhancing Global Health Systems for Effective Disaster Response	Dr. Teodoro J. Herbosa		
To discuss how global health systems may be enhance for effective disaster response			
B.1.2 DOH Response & Disaster Preparedness Program To discuss the role of DOH is implemting disaster response plans	Dr. Gloria J. Balboa		
B.1.3 Psychological First Aid for Health Care Workers during Disasters	Mr. Jose A. Juan, Jr.		
To discuss how to maintain the mental and psychosocial well-being of health care workers during disasters			
B1.4 Role of the EMS Medical Director in Disaster Preparedness To discuss the role of the medical director in disaster preparedness	Dr.George Abraham		

B2 – INFECTIOUS DISEASE OUTBREAKS and EMS (1400pm- 1530pm) Meeting Room 4&5	
Session Chair: Dr. Rosita Gan (Philippines)	
Co-Chair: Dr. Oulaivanh Phonesavanh (Laos)	
B.2.1 Transport Standards for Highly Transmissible Diseases To enumerate elements of safe transport for Highly Transmissible Diseases	Dr. Donna de Padua
B.2.2 ED and Pre-Hospital Care Preparations for Emerging and Re-emerging Infections in Hong Kong To discuss guidelines and preparations for emerging and re-emerging infections	Dr. Axel Siu
B.2.3 Preparedness for EIDs in the Philippines To share preparedness plans for EIDS for the Philippines	Dr. Arthur Dessi Roman
B.2.4 Response and Risk Management of Industrial Disasters To share valuable experience in disaster preparedness and response in industrial disasters	Dr. Basanta Kumar Behera

B3 – PUBLIC SAFETY IN CBRNE (1600pm-1730pm)	
Meeting Rooms 4 & 5	
Session Chair: Dr. Kyoung Jun Song (South Korea)	
Co-Chair: Dr. Richard Henry Santos (Philippines)	
B.3.1 Management of Radiologic Emergencies: Nuclear Disasters	Prof. Arifumi Hasegawa
To discuss the treatment and management of Radiologic Emergencies in the Pre-hospital setting	
B.3.2 Vital Interventions in Urban EMS during CBRNE (CBRNE MCI Preparedness) In an Urban EMS Setting To discuss the role of urban EMS during CBRNE	Mr. Michaelangelo Bartolin
B.3.3 Mass Shooting Incidents To discuss relevant considerations for EMS response to mass shooting incidents	Dr. Teofredo "Ted" Esguerra

圖 12 研討會講者

2.醫院前急救:包含院前心臟急症、院前神經緊急護理及院前創傷護理 等內容。

TRACK C: PREHOSPITAL EMERGENCY CARE	
C1 – PRE-HOSPITAL CARDIAC EMERGENCY CARE (915am-1045am) Function Room 3A	
Session Chair: Dr. Poongkulali Annaikati (Singapore)	
Co-Chair: Dr. Perry Peralta (Philippines)	
C.1.1 Communication/Transport To analyze how communication and transport facilities in the pre-hospital setting be enhanced to improve outcomes for Acute Coronary Syndrome in the Philippines	Dr. Benedict Valdez
C.1.2 Referral Systems To analyze the elements of effective inter-hospital referrals and transfers to improve outcomes for Acute Coronary Syndromes in Saudi Arabia	Dr. Ahed Najjar
C.1.3 Post Cardiac Arrest care in China To discuss post-cardiac arrest care practices in China	Dr. Tang Ziren
ASPEN	

C2 – PRE-HOSPITAL NEUROLOGIC EMERGENCY CARE (1400pm-1530pm) Function Room 3A	
Session Chair: Saleh Fares (UAE)	
Co-Chair: Dr. Jeremy Cordero (Philippines)	
C.2.1 Communication and Transport To analyze how communication and transport facilities in the pre-hospital setting be enhanced to improve outcomes for Acute Stroke in the Philippines	Dr. Pauline F. Convocar
C.2.2 Telemedicine and Medical Direction in the Care of Neurologic Emergencies To discuss how telemedicine can improve medical care particularly for neurologic emergencies	Dr. Kang Hyun Lee
C2.3 The Use of NIV in Pre-hospital Care To discuss how non-invasive ventilation can be applied in the Pre- hospital care	Dr. Sarah Karim
NATRAPHARM	

C3 – PRE-HOSPITAL TRAUMA CARE (1600pm-1730pm) Function Room 3A Session Chair: Dr. Akio Kimura (Japan)	
Co-Chair: Dr. Johnny Perez	
C.3.1 Enhancing Trauma and EMS Care through Research: The PATOS Experience To share the results from the PATOS research collaborations	Dr. Sang Do Shin
C.3.2 Pre-hospital Trauma Care System in Vietnam To share the challenges and innovations in trauma care systems in Vietnam	Dr. Ngoc Do Son
C.3.3 Pre-Hospital Trauma Care System in Malaysia To share the challenges and innovations in trauma care systems in Malaysia	Dr. Sabariah Jamaluddin
C.3.4 Pre-Hospital Trauma Care System in Philippines To share the challenges and innovations in trauma care systems in Philippines	Dr. Pat Namnama Tejero –Gahol

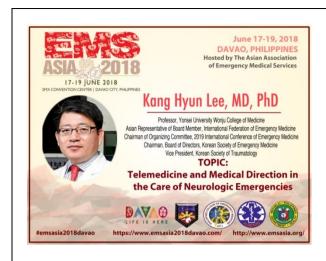

圖 13 研討會講者

3.EMS 關注弱勢群體:演講內容含 EMS 對弱勢群體的照顧、老年人和土著人民等內容

TRACK D:	
EMS CARE FOR THE VULNERABLE POPULATIONS	
D1 - GERIATRIC AND OTHER CHALLENGED POPULATIONS	
(915am – 1045am)	
Function Room 1B	
Session Chair: Dr. Ali <u>Haeder</u> (Indonesia)	
Co-Chair: Nerissa Sabarre (Philippines)	
D.1.1 SMART Technologies for Management of Geriatric Patient in	Dr. Michael Chia
the Pre-Hospital Setting	
To discuss how SMART Technologies can enhance the pre-hospital care	
for geriatric patients	
D.1.2 Cultural Competence in Access to Pre-hospital services by	Dr. Michael Tan
EMTs	Di. Michael Tall
To discuss how pre-hospital services may be enhanced by an	
understanding of cultural competence by EMTs	
understanding of cultural competence by Livins	
D.1.3 EMS in AREAS of ARMED CONFLICT	Ms. Sarji Muldong
To discuss challenges in the practice of EM/EMS in areas of armed	ms. darp malacing
conflict	
D.1.4 Delivering Quality EMS Care in Resource-Limited	
Environments: The Vientiane Rescue Experience	Mr. Sebastien
To discuss challenges in the practice of EM/EMS in resource -limited	Perret
environment	1 01101
OTTHORNION.	

D2 - PEDIATRIC EMS (1400pm -1530pm)	
Function Room 1B	
Session Chair: Dr. Jonathan Cu (Philippines)	
Co-Chair: Dr. Benjamin Leong (Singapore)	
D.2.1 Safety in the transport of Critically-ill Pediatric Patients To describe the elements of safe transport for a critically-ill pediatric patients in India	Dr. Sanket Patil
D.2.2 Pediatric Trauma – Reducing Injuries One-Step at a Time To outline steps to prevent mortality from pediatric trauma	Dr. Manish Shah
D.2.3 Pediatric Resuscitation: Caring for Children To discuss and share educational experiences in teaching frontline providers how to care for infants	Dr. Jose Maria Ferrer
D.2.4 Airway and Breathing Considerations in Managing Critically III Pediatric Patients in Pre-hospital Setting To discuss management of airway and breathing problems during transport of pediatric patients	Dr. Ivan Chua

D3 – PAMOS – PAN ASIAN MARATHON OUTCOMES STUDY (1600pm – 1730pm) Function Room 1B	
Session Chair: Prof. Takahiro Hara (Japan)	
Co-Chair: Ms. Nina <u>Gironella</u> (Philippines)	
To describe mass-gathering events/marathons and outcomes	
D.3.1 Tokyo, Japan	Dr. Etsuke Kone
D.3.2 Taipei, Taiwan	Dr. Lee <u>Chih-hsien</u>
D.3.3 Shanghai, China	Dr. Lu <u>Yiming</u>
D.3.4 Davao City, Philippines	Dr. Benedict Edward Valdez

4.改善 OHCA 結果的戰略:加強社區心肺復甦和 AED 教育復甦的創新。

June 18

TRACK E: STRATEGIES FOR IMPROVING OUTCOMES for OHCA E1 - GLOBAL RESUSCITATION ALLIANCE (GRA) IMPROVING Out-of-Hospital Cardiac Arrest ONE STEP AT A TIME (915am - 1045am) Meeting Room 4 & 5 Session Chair: Dr. Marcus Ong (Singapore) Co-Chair: Dr. Richard Vincent Dimagiba (Philippines) To discuss strategies for implementation of the 10 steps in the Global Resuscitation E.1.1 Implementation of 10 - Steps in Malaysia Dr. Darin Wong E.1.2 Implementation of the 10 - Steps in Japan Dr. Tatsuya Nishiuchi E.1.3 Implementation of the 10 - Steps in Philippines Dr. Faith Joan Gaerlan E.1.4 Implementation of the 10 steps in China Dr. Shao Fei

E2 – ENHANCING COMMUNITY CPR and AED EDUCATION (1400pm – 1530pm) Function Room 2	
Session Chair: Dr. Roderick Vito (Philippines)	
Co-Chair: Ali Haedar (Indonesia)	
To discuss strategies how community CPR and AED Education be enhanced appropriate to each country	
To share innovations implemented to enhance community CPR and AED education	
E.2.1 Philippines – Community CPR and AED Education	Dr. Francis Lavapie
E.2.2 Singapore – It is Not Too Young to Start	Dr. Michael Chia
E.2.3 India – Community CPR and AED Education in India	Dr. Subroto Das
E.2.4 Taiwan – Implementing Public Access Defibrillation in	Dr. Matthew Ma

E3 – INNOVATIONS IN RESUSCITATION (1600pm – 1730pm) Function Room 2	
Session Chair: Dr. Axel Siu (Hong Kong)	
Co-Chair: Dr. Bernadett Velasco (Philippines)	
E.3.1 Innovations in Resuscitation To present innovations in resuscitations that improve clinical outcomes	Dr. Patrick Ko
E.3.2 Innovation in Spinal Immobilization Devices To present designs in spinal immobilization devices applicable for use in the Philippines	Mr. Aidan Tasker-Lynch
E.3.3 Design Tips for Building a CPR/AED Crowdsourcing App To discuss the process and design of a CPR/AED Crowding sourcing App	Col. Ng Yih Yang
E.3.4 ACLS is all about A-C-L-S To discuss important elements in A-C-L-S	Dr. Matthew Ma

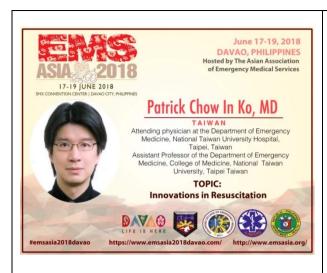

圖 14 研討會講者

5.EMS 的培訓和研究:演講內容包括制定亞洲 EMT 教育標準、EMT 教育教學策略的創新及 EMS 研究講習班等內容。

TRACK F: TRAINING AND RESEARCH IN EMS		
F1 - Setting Standards for EMT Education in Asia (1300pm – 1500pm) FUNCTION ROOM 2		
Session Chair: Dr. Takahiro Hara (Japan)		
Co-Chair: Dr. Marc Reyes (Philippines)		
PANEL DISCUSSION: To discuss challenges in developing and standardizing EMT Education in Asia		
F.1.1 IPR Initiative	Dr. David Paige	
F.1.2 Japan:	Dr. Hideharu Tanaka	
F.1.3 Philippines:	Dr. Bernadett Velasco	
F.1.4 India:	Dr. Sanket Patil	
F.1.5 Singapore:	Dr. Marcus Ong SARSTEDT ASIA	

F2 - Innovations in Teaching-Learning Strategies for EMT Education (1530pm – 1730pm) FUNCTION ROOM 2		
Session Chair: Dr. April B. Llaneta (Philippines)		
Co-Chair: Dr. Michael Chia (Singapore)		
To discuss simulation and other teachin-learning strategies that enhance EM/EMT education in each country		
F.2.1 Simulation in EMT Education (Fiji)	Dr. Anne Creaton	
F2.2 Simulation in EMT Education (Singapore)	Dr. Poongkulali Annaikati	
F2.3 Simulation in EMT Education (Qatar)	Dr. Guillaume Alinier	
F.3.4 Simulation in EMT Education (Australia)	Mr. Brett Williams	
JONES AND BARTLETT LEARNING	Mr. David Page	

F3 - EMT College Summit (1300pm - 1500pm) Meeting Room 4&5

Session Chair: Dr. Carlos Primero Gundran (Philippines)

Co-Chair: Anne Creaton (Fiji)

To discuss the program objectives, strategies, professionalization of EMTs in a particular country

partioural obuiting	
F.3.1 South Korea:	Dr. Kyoung Jun Song
F.3.2 Turkey:	Dr. Ridvan Atilla
F.3.3 Saudi Arabia:	Dr. Ahed Najjar
F.3.4 Hong Kong:	Mr. Ma Shun Cheong Hong Kong Fire Department

F4 Workshop on EMS Research June 19, 2018 from 1530pm -1700pm (Function Room 3A)

Chair and Facilitator:

Dr. Johanna Secretaria (Philippines)

Dr. Takashi Tagami (Japan)

Target audience: Everyone who want to start clinical research (No research experience required)

Content:

1: Why and how to start clinical research (30 min. Lecture, Tagami)

2: First-step exercise (30 min. Facilitator; Secretaria)

3: What to start from today? (30 min)

3-1: Suggestions (15 min, Tagami)

3-2: Free discussion (15 min. Secretaria)

6.EMS 中的職業健康和質量管理:演講內容包含 EMS 醫療保健提供者的職業安全和福利及醫院前人員的醫療法律困境等內容。

JUNE 19

TRACK G Quality Management and Occupational Health Welfare for EMS Systems	
G1- Occupational Safety and Welfare of EMS Healthcare Pr (1300pm – 1500pm) Function Room 1B	oviders
Session Chair: Dr. Rey Pontreras (Philippines)	
Co-Chair: Dr. Clarabell Floresca (Philippines)	
G.1.1 Philippines: To discuss lessons in the implementation of occupational health and safety among EMS Healthcare Personnel in Philippines	Dr. April B. Llaneta
G.1.2 South Africa: To discuss lessons in the implementation of occupational health and safety among EMS Healthcare Personnel in South Africa	Mr. Francois Prinsloo
G.1.3 India: Occupational Safety and Welfare of EMS Healthcare Personnel To discuss lessons in the implementation of occupational health and safety among EMS Healthcare Personnel in India	Dr. Subroto Das
G.1.4 Singapore: Ambulance Safety and Design To discuss how to enhance the safety of the ambulance through its design	Col. Ng Yih Yng

G2 -Medico-Legal Dilemmas of Pre-hospital Personnel (1530pm – 1700pm)	
Function Room 1B	
Session Chair: Dr. Goh E-Shaun (Singapore)	
Co-Chair: Dr. April Anne Rivamonte – Delola (Philippines)	
G.2.1 Philippines:	Dr. Martin Eugene Anthony Luna
To discuss common medico-legal dilemmas in the pre-hospital setting in the Philippines	
G2.2 Malaysia	Dr. Mahathar Wahab
To discuss medico-legal considerations in Pre-Hospital Care in Malaysia	
G2.3 QMS in EMS	
To discuss how to integrate Quality Management in EMS systems	Dr. Patrick Ko

G3: Global Resuscitation Symposium (1300pm – 1700pm) Function Room 2

Chair: Patrick Ko (Taiwan)

Chair: Pauline F. Convocar (Philippines)

To: discuss worldwide trends, similarities and differences in resuscitation from Sudden Cardiac Arrest

TIME	Speaker	Topic
13:00- 13:10 (10)	Patrick Ko	Welcome
13:10- 13:40 (30)	Brent Myers, MD, Raleigh, North Carolina, USA	Adoption of Best Practices in Resuscitation Across the Globe
13:40-14:10 (30)	Michael Levy, MD, Anchorage, Alaska, USA	Resuscitation Devices in the US: Driven by Science
14:10-14:40 (30)	Jerry Overton, Salt Lake City, Utah, USA	Adoption of Evidence Based Emergency Medicine Dispatch Criteria
14:40-15:00 (20)	Break and Q/A	
15:00-15:30 (30)	Manish Shah, MD, Houston, Texas, USA	Worldwide Challenges and Priorities in Pediatric Resuscitation
15:30-16:00 (30)	Bryan McNally, MD, Atlanta, Georgia, USA	International Registries and Outcomes Reporting for Sudden Cardiac Arrest
16:00-16:30 (30)	Marcus Ong, Singapore	Post-Cardiac Arrest Care Trends
16:30 – 17:00	Pauline F. Convocar	Q/A and discussion

四、AAEMS 獎

本次國際研討會也表揚獎勵亞洲國家對於 EMS 發展做出貢獻的優秀人才。獎項類別包括個人卓越獎(Individual Excellence Award)、機構獎(INSTITUTION AWARD)、終身成就獎(LIFETIME ACHIEVEMENT AWARD)及新創獎(Innovation Award)等 4 類,感謝得獎者對亞洲的 EMS 做出的具體貢獻。

特別值得一提的是臺灣台大醫院醫師柯昭穎醫師,長年貢獻所學專注於到院前之醫療指導,並擔任臺北市政府醫療指導醫師,柯醫師專長領域是急診醫學、一般內科、腸胃內科及緊急醫療系統…等專業領域,本次榮獲 2018 年亞洲緊急醫療救護年會個人卓越獎(Individual Excellence Award)殊榮,實至名歸,卓越貢獻再一次受到國際社會肯定。

肆、心得及建議事項

本次利用出國參加 2018 年亞洲緊急醫療救護年會國際研討會的難得機會,增廣見聞,拓展視野,雖然只是 3 天的研討會行程,但在各國講者研討會分享經驗過程中已經看到各國在 EMS 方面各項努力,到院前和到院後之間的各單位緊密配合分工合作。

針對本次參加國際研討會共提供2點建議,敘述如下:

一、 持續規劃辦理緊急救護教育訓練:

我國在目前緊急救護教育訓練的重點在於達現場後對患者傷病情的判斷以及急救處置的技術,本次研討會過程中我們看到其他國家也是不斷強化救護情境演練,藉由不斷提升專業知識與技術,加強 EMT 人員與病患家屬溝通的能力,建議在未來辦理緊急救護技術員及教官班相關專業訓練時,可將這些要素納入訓練及測試內容。

二、 緊急救護訓練教室:

我國目前緊急救護教育訓練辦理地點主要於本署訓練中心或各地方消防局依其硬體條件選擇地點辦理,本次藉由各國分享之情境訓練,有關情境模擬教室、利用單向鏡營造測驗時不受干擾的環境、利用攝影回放檢討學員操作問題的部分值得我們借鏡參考,在未來可參考其概念依實際需求規劃我國之訓練教室。

伍、附錄(研討會活動花絮)
