

OIE Regional Workshop on Vector Borne Disease in the Asia-Pacific Region
Incheon, RO Korea, 10-11 September 2018

Provisional Programme

DAY 1		
Time	Theme	Speaker
08:30 – 09:00	Registration of participants	OIE RRAP
OPENING SESSION (MC: OIE)		
09:00 – 09:30	Welcome address Opening remarks by the OIE Opening remarks by the Host Country	TBD OIE Host Country
	<u>Group photo</u>	
Technical session I: Current Situation on Vector Borne Diseases Chair: TBD		
Introduction		
09:30 – 09:40	Brief overview of OIE listed Vector Diseases in Asia Pacific	OIE RRAP
09:40 – 10:00	Global Vector Control Response 2017 – 2030	WHO
10:00-10:20	Update on recent trends of Vector borne diseases Globally and in Asia Pacific	Dr Debbie Eagles, OIE Reference Centre, AAHL
10:20 – 11:00	Group Photo and Refreshments break	
Surveillance		
11:00 - 11:30	Vector surveillance – human, animal and zoonotic aspects.	Dr Upik Kesumawati Hadi, Indonesia, Bogor Agricultural University
11:30 – 11:45	Surveillance : Diseases and Vectors – National Arbovirus Monitoring Program and others in Australia	Dr Peter Kirkland, Australia
11:45 – 12:00	Sentinel surveillance and setting up a sentinel herd	Dr Lorna Melville, Australia
12:00 – 12:15	National Institute of Animal Health – vector surveillance in Japan	Dr Tohru Yanase, NIAH Japan
12:15 – 12:30	National Institute of Infectious Diseases, Japan – human, animal, vector	Dr Chang Kweng Lim, NIID Japan
12:15 – 12:30	Zoonotic and human related disease and vector surveillance.	Dr Jong Yul Roh, Korea CDC
12:30 – 13:00	Discussion – coordination and collaboration between sectors.	Speakers in session + WHO, FAO, OIE?
13:00 – 14:00	Lunch	
Technical session II: Emerging and Changing distribution of Diseases Chair: TBD		
14:00 – 14:30	Vector movements and climate – impacts on vector-borne diseases	Dr Debbie Eagles, OIE Reference Centre, AAHL

14:30 – 15:00	SFTS virus and other tick-borne pathogens in RO Korea	Prof. Joon-seok Chae, Seoul National University
15:00 – 15:30	Midges and mosquitoes – emerging diseases	Dr Dongkun Yang, Korea APQA
15:30 – 15:50	Questions and Answer	
15:50 – 16:10	Tea/coffee break	
16:10 – 17:10	Presentation on experiences of selected Member Countries e.g. examples from 3 members (20min each)	Selected Member Country representatives
16:10 – 16:30	Surveillance of ticks as SFTS vectors in RO Korea	Dr Jong Yul Roh, Korea CDC
16:30 – 16:50	Tick borne diseases in PR China	Dr Zhijie Liu, China LVRI CAAS
16:50 – 17:10	Current situation of bluetongue in Indonesia	Dr Indrawati Sendow, Indonesia IVETRI
17:10 – 17:30	Q&A	
18:00 – 20:00	Dinner hosted by the OIE	

DAY 2		
Time	Theme	Speaker
08:30 – 08:45	Summary from Day 1 (including housekeeping)	TBD
Technical session III: Country situational updates and experiences		
Chair: TBD		
08:45 – 09:20	<u>Flash talk and poster gallery session</u> Morning taken to look around at posters prepared by countries.	Member Country representatives (16 countries)
9:30 – 10:20	Presentations from members of current activities and challenges in monitoring vectors and disease	Selected Member Country representatives
10:20 – 10:40	Q & A	
10:40 – 11:10	Tea/coffee break	
11:10-12:30	<u>Small group exercises – Split into small groups to discuss in more detail on key areas where gaps are identified</u> 20 minutes to discuss perceived gaps and identify 1-3 priority areas, with assistance from experts. eg: (i) How to strengthen surveillance and monitoring systems (ii) How to strengthen control programs (ii) How to strengthen response to incursions and outbreaks 40 minutes – discuss what can be done to improve the situation.	
12:30-13:00	Each group to present discussion points and suggested ways forward	
13:00 – 14:00	Lunch	
Technical session IV: Regional priorities and objectives		
Discussion of horizontal issues (OIE PVS Progress and Activity Report) PVS, PVS Lab, Advocacy etc.		
Chair: TBD		
14:00 – 15:30	<u>Group exercise on setting regional priorities and goals</u> Four topics for group discussion: (i) What priority issues exist for controlling VBD in the region? Eg – surveillance, trade, clinical disease, zoonotic/human health?	

	(ii) How to coordinate at the regional level better?	
15:30-16:00	<i>Tea/coffee break</i>	
Technical session V: Summary and conclusions Chair: Dr H Kugita		
16:00-17:00	Summary of meeting	
17:00-17:30	Summary of Regional Priorities and Way forward	
17:30 -18:00	Closing remarks
