1. In accordance with the Technical Committee's decision, the Secretariat monitors and communicates the technical assistance/capacity building activities scheduled or delivered by Members in order to provide useful information to all Members for planning purposes and to prevent duplication of effort.
2. In order to inform Members about these activities at the 47th Session of the Technical Committee on Customs Valuation, the Secretariat invites Members to provide information on their technical assistance/capacity building activities which have been carried out since the last session of the Technical Committee or are planned during the period up to **30 September 2018**. These details should be submitted in writing no later than **7 September 2018**. Comments and information submitted in response to this request will be published and circulated to the Technical Committee, together with the technical assistance/capacity building activities undertaken by the Secretariat.
3. To assist the Secretariat, Members are invited to send this information in electronic format, where possible (e-mail address : valuation@wcoomd.org).

For reasons of economy, documents are printed in limited number. Delegates are kindly asked to bring their copies to meetings and not to request additional copies.
