TEC1 Action Item (new)

Co-convene TC1/TC2 JWG1 to further consider the following issues:

- a) identification and assessment of sites with key activities;
- b) assessment of remote sites and associated techniques; and
- c) assessment of virtual sites and associated techniques.

The JWG is requested to take into account the content of the previous APLAC TC 013, IAF MD 4 and IAF ID 12, and any APAC member practices on these topics.

The outcome of the JWG is to report back to TC1 and TC2 at their next meetings on the need and possible content for any further APAC guidance/requirements on these subjects.

-Jason Stine (ANAB-USA) nominated as TC1 convener.
