Agenda Item [IV] – Economy-Nominated Private Sector Delegates

Intersessional Work

➤ Identify economy public sector nominees.

Each economy identify **a minimum of one nominee** private sector delegate to **participate in an intersessional conversations and attend SOM3 in person**. *Target completion: APRIL*

TOR Membership:

“Private sector participants may represent agri-food-related industry bodies, farmers’ groups or individual companies and should strive to see that their views represent consensus within the industry.”

Intersessional Work

- **Hold virtual public/private conversations** in small groupings by time zone. Participants, both public and private, will be sent a **questionnaire** and agenda to prepare prior to each conversation. The discussion will focus on **current perceptions of public private partnerships, ways that partnerships can be meaningful within the non-binding context of APEC, and suggestions for improved engagement.** *Target completion: JUNE*

SOM3 Work

- **Hold in-person public/private retreat.**
Request that all public and private sector delegates attend in person for the purpose of engaging in public-private collaboration. Retreat will be a guided, discussion-based process of reviewing and finessing outcomes from the intersessional discussions on how to improve public-private partnership in PPFS.
- **Reach consensus on points to include in renewed TOR**
- **Deliver points to Korea for 2025 renewal**
